REQUIREMENTS AND PROCEDURES

Sign Permit Procedures

Application to erect, alter, or relocate a sign shall be made to the City Planner upon a form provided by the City Planner and **shall include the following information. Applicants shall submit two (2) copies of all relevant information as follows:**

1. Name, address, telephone number, and signature of the owner of premises (and occupant if different) granting permission for the construction, maintenance, or display of the proposed signage.
2. Name, address, telephone number, and signature of sign contractor.
3. The approximate value of the project/sign to be installed, including the installation cost.
4. Two copies of a sketch or blue print of the proposed signage drawn to scale, showing elevations of the sign as proposed on the building facade, awning, or canopy. In the case of a freestanding sign, a sketch plan of the property drawn to scale illustrating the proposed location of the sign.
5. Specifications and scaled drawings showing the materials, design, dimensions, structural supports, and electrical components of the proposed sign.
6. Any other information, specifications, photographs, or the like deemed necessary by the Planning Department staff in order to assure compliance with requirements set forth herein.

New Construction/Additions/Alterations

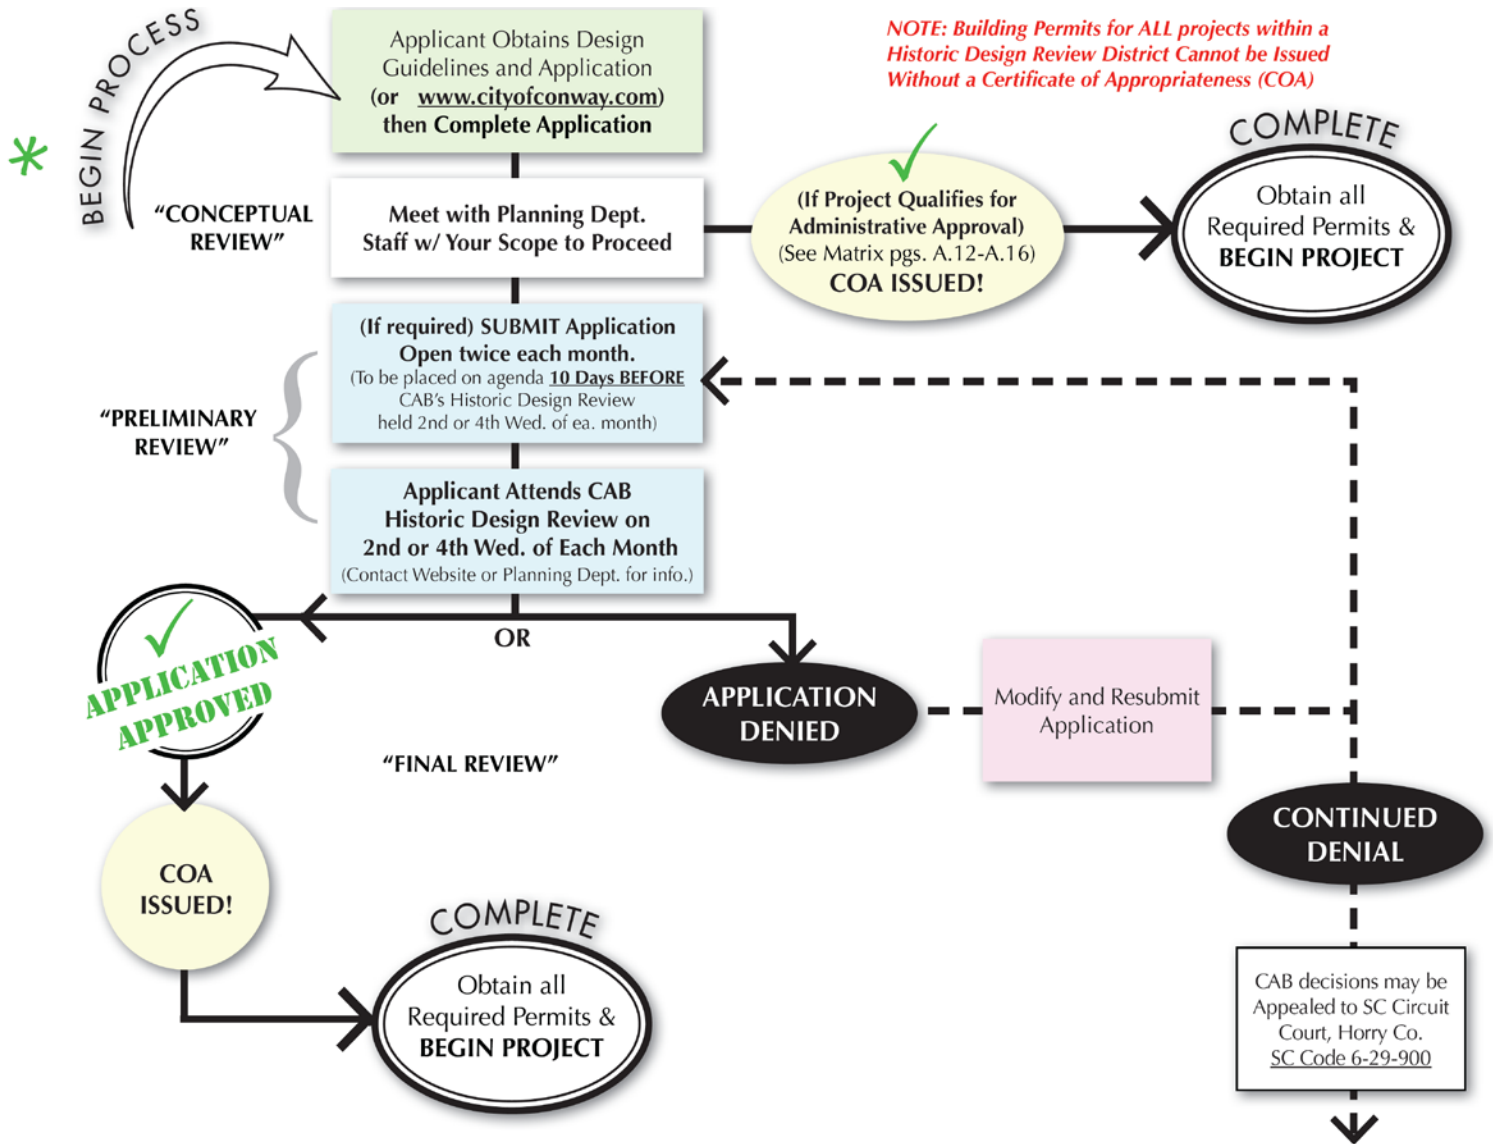

Prior to the issuance of a zoning permit, **applicants shall submit two (2) copies of all relevant information** deemed necessary by the Community Appearance Board and/or the Planning Director in order for the Board to approve or deny the application. **Relevant information may include but shall not be limited to:**

1. site plans illustrating the location of existing structures and proposed new structures and/or additions;
2. landscape plans illustrating the location of existing landscaping and proposed new landscaping;
3. building designs and facade drawings of the front, sides, and rear of all proposed new structures and/or facades proposed to be renovated;
4. plans for existing signage and proposed new signage;
5. color samples of paint, brick, shingles, siding, etc.;
6. topographic surveys;
7. tree surveys;
8. lighting plans.
9. Specifications for miscellaneous architectural elements (lighting fixtures, hardware and finishes, etc.)

Definitions

- A. **Conceptual Review:** Applicants are encouraged to meet with Planning Department staff prior to the preparation of working drawings and specifications. The purpose of the meeting shall be to familiarize applicants with the City of Conway Community Appearance Board and the design review standards. Applicants may meet with the Community Appearance Board for a tentative reaction to the general design concept of a proposed project.
- B. **Preliminary Review:** The Community Appearance Board shall review each application to determine if it adheres to the design review criteria. If the design and materials are consistent with the design guidelines, the Board may grant final approval. If revisions are required, the applicant shall make the necessary revisions and submit them for a final review.
- C. **Final Review:** Once the Community Appearance Board has determined that an application satisfies all design guidelines, the Board may approve the issuance of a COA (Certificate of Appropriateness).
