EMERGENCY RESPONSE NOTICE

Conway, SC (January 28th, 2014) – Conway Police Department will respond to all calls for service as long as weather conditions permit; however, should conditions deteriorate, driving conditions become hazardous, and roadways impassable; calls for service will be prioritized. All in progress and emergency calls will continue to be responded to. Non-emergency calls that can be delayed to a later time will be transferred to a desk officer at the Police Department, who will assist the complainant and if necessary, complete a report over the phone.
