

POSITION OPEN

**PUBLIC WORKS / STORMWATER DEPARTMENT
ENGINEER**

Job Posting Date – July 18, 2018

The City of Conway is accepting applications for the position of Engineer. This position performs professional engineering analyses and prepares design documents for City projects involving roads drainage, utilities and facilities. Reviews grading, drainage and stormwater plans for new commercial and residential developments, including detailed review of complex drainage calculations and reports to assure compliance with City, County, State and Federal stormwater regulations and standards. Performs site surveys and related technical, administrative and supervisory work as assigned and other job related duties as required. Work is performed under limited supervision, independently developing work methods and sequences, and reports to the Director of Public Works.

Minimum Education and Experience: Requires a Bachelor's degree in Civil Engineering supplemented by one to two years of engineering experience in civil design, drafting and/or construction inspection; or an equivalent combination of education, training and experience that provides required knowledge, skills and abilities. Must be an Engineer-in Training – SCLLR; PE license preferred. Must possess a driver's license valid in the state of South Carolina.

Entry level pay for this position is \$56,407.00.

Interested persons should submit an application and resume with a certified ten-year driver's record to: Lynn S. Smith, Human Resources Director, PO Box 1075, Conway, SC 29528. Applications may be obtained from the SC Department of Employment & Workforce Center at 200A Victory Lane, Conway, SC, or downloaded from the City's website at www.cityofconway.com. This position will remain open until filled.
