Riverfront Amphitheater Feasibility Study
Addendum #1

1. Has the City conducted any previous studies on the proposed outdoor amphitheater project? If yes, are they available for review? **No, however the City recently completed a Riverfront and Downtown Masterplan. A copy of this plan can be found here: [http://www.cityofconway.com/ConwayMP%20\(4\).pdf](http://www.cityofconway.com/ConwayMP%20(4).pdf)**
2. Does the City have a potential site identified for the proposed project? If yes, can you share any details on location and conditions? **There is no specific site identified, however this amphitheater should be sited on the Conway Riverfront. The feasibility study will include proposed site locations.**
3. Can the City speak to an estimated budget for the study? **The City of Conway received a \$25,000 Hometown Economic Development Grant from the Municipal Association of South Carolina towards the amphitheater feasibility study. The City will match at least 15% of the grant.**
4. For the Statement of Understanding and Project Approach Outline it seems the RFP is requesting we keep this to one page. Would it be acceptable to provide a more detailed response as an appendix? **Yes.**
5. Is there a budget or estimated budget for this project? **No, but alternatives with budget analysis should be included as part of the study.**
